THE PROCESS

From the first call to the final album ordering, our wedding photography process is designed to make your experience seamless, enjoyable, and memorable. Here is a breakdown of the journey you can expect with me:

- **Initial Consultation:** It all begins with a conversation. We'll schedule an initial consultation, either in person or via phone/video call, to discuss your wedding vision, preferences, and specific requirements. This allows us to get to know each other better and ensures that we are the right person to capture your special day.
- **Your Proposal:** After our consultation, we will create a quote tailored to your needs. This will include details about the services we offer, package options, pricing, and any additional enhancements you may wish to consider. We strive to provide transparent and flexible options to accommodate your unique wedding plans.
- **Booking and Contract:** Once you're ready to move forward, we'll guide you through the booking process. This involves signing a contract and submitting a deposit to secure your wedding date in our calendar. Please rest assured, your date will be exclusively reserved for you.
- **Pre-Wedding Consultation:** As the big day approaches, we'll schedule a pre-wedding consultation to discuss the logistics, timelines, and any specific shots you have in mind. We'll collaborate closely to ensure I understand your preferences and capture the essence of your love story.
- **Pre-Wedding Shoot:** To further enhance your experience, we offer the option of a pre-wedding shoot (included in the Luxury and Popular packages). This allows us to create relaxed, candid images of you as a couple before your wedding day. It's an opportunity to become more comfortable in front of the camera, see how we work and build a rapport with us. You will receive a special signing board to collect guest messages and you can use the images for any wedding literature or table plans.

FOR PERFECT YOUR WEDDING

- **Wedding Day Coverage:** On your wedding day, we'll arrive at the agreed time, ready to capture every precious moment. We will discreetly document the entire day, from getting ready to the ceremony, reception, and everything in between. We strive to be unobtrusive while capturing genuine emotions and exquisite details.
- **Post-Production and Editing:** Once the wedding is over, our meticulous post-production process begins. We will carefully select and edit the best images, applying our expertise in colour correction, retouching, and enhancing the overall visual impact. Our goal is to deliver a stunning gallery that reflects the beauty and emotions of your special day.
- **Online Gallery and Selection:** After the post-production process, we'll provide you with a private online gallery where you can view and select your best images. You can easily share this gallery with family and friends, making it convenient for them to relive the wedding day as well.
- **Product Design and Ordering:** We will assist you in selecting the perfect photographs that tell your unique love story by designing a layout for the items that are either included in your package or selected separately. We offer a range of high-quality products produced by a dedicated professional photography lab with options to suit your style and preferences. Once the design is ready, we'll handle the printing and production, ensuring your the end result is a cherished keepsake.
- **Delivery and Preservation:** The final step is the delivery of your products. We take great care in packaging and delivering your precious memories to you.

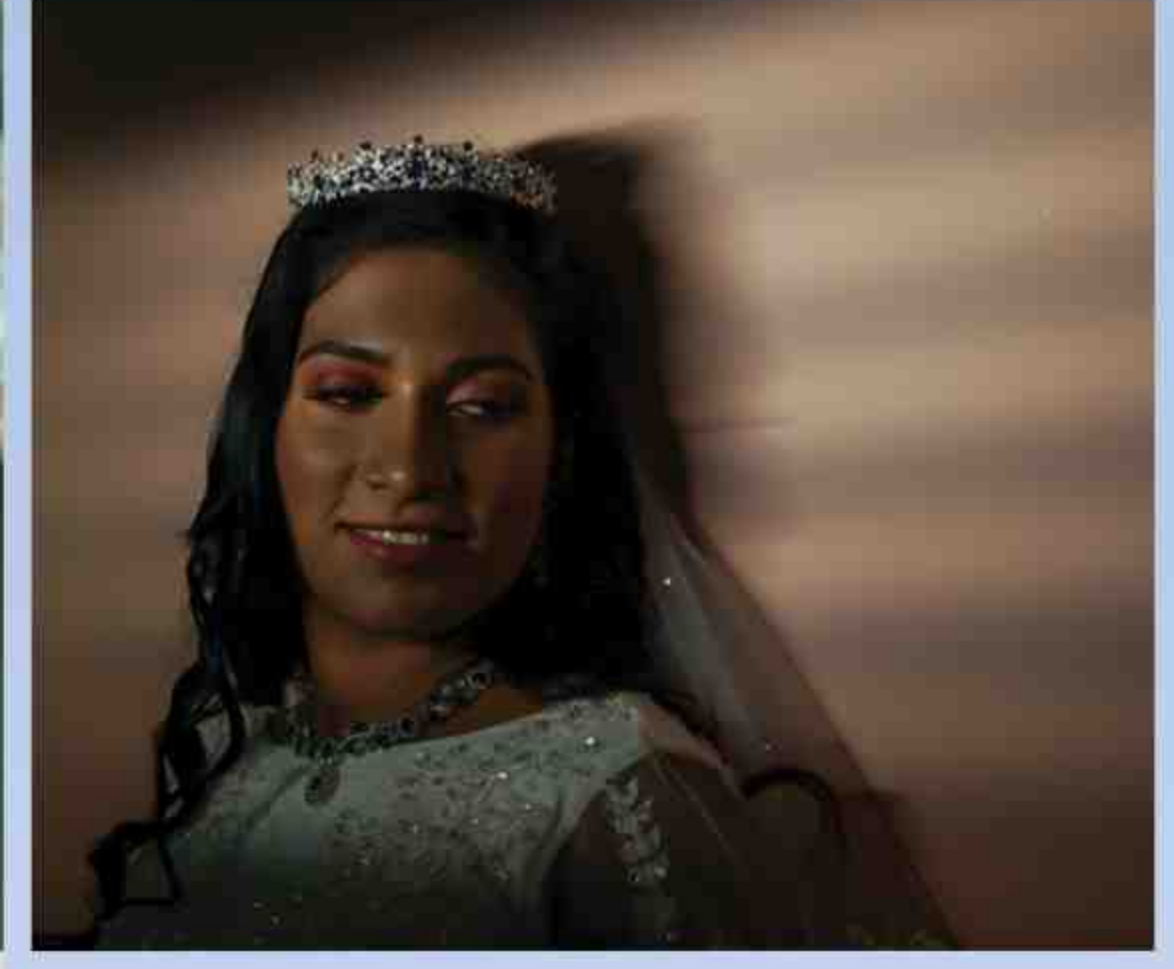

WHAT TO EXPECT ON YOUR WEDDING DAY

On your wedding day, you can expect us to be prompt, organised, and efficient, ensuring that your photography needs are met seamlessly. Here's what you can expect in terms of timing and efficiency:

- **Pre-Wedding Planning:** Prior to your wedding day, We will send you a questionnaire one month before your wedding day and work closely with you to create a photography timeline. This timeline will outline the specific moments and events we will capture, ensuring that we are well-prepared and in sync with your schedule.
- **Arrival and Setup:** We will arrive at the designated location on time, ready to start capturing the day's events. We will quickly set up my equipment and make any necessary adjustments to ensure optimal performance.
- **Capturing Getting Ready Moments:** If you opt for this service, We can be present to document the excitement and emotions of your getting ready process. We will work efficiently to capture candid moments, details, and the interactions between you and your loved ones.
- **Ceremony Coverage:** During the ceremony, We will discreetly move around to capture all the significant moments while being unobtrusive. We will capture the exchange of vows, rings, and other special moments, ensuring the essence of your ceremony is beautifully preserved.
- **Family and Group Portraits:** After the ceremony, We will work efficiently to plan and capture family and group portraits. We will provide clear directions to ensure everyone is in the right place and ready for their photos, allowing us to be efficient without sacrificing quality.

FOR PERFECT YOUR WEDDING

- **Couple's Portraits:** I will allocate dedicated time for capturing stunning couple's portraits, allowing you to have a relaxed and enjoyable experience while creating beautiful imagery. I will provide gentle guidance to help bring out your natural chemistry and capture your love authentically. This is normally a 20-minute session after your group photos but may also include other moments later in the day, such as golden hour, sunset and evening captures.
- **Reception Coverage:** During the reception, I will document the celebrations, speeches, toasts, and special moments, ensuring that no significant events are missed. I will capture candid shots of your guests, the first dance, cake cutting, and other memorable highlights.
- **Flexibility and Adaptability:** I understand that unexpected moments and changes may occur during a wedding day. I am adaptable and flexible, ready to adjust my approach as needed to ensure I capture all the important moments and details.
- **Post-Production and Delivery:** After your wedding day, I will move onto the post-production phase. I will always provide a number of preview photographs within 48 hours, then I will carefully select and edit the best images, applying my expertise to enhance their beauty. I strive to deliver your final gallery within a reasonable timeframe, allowing you to relive your wedding day memories promptly.

Throughout the entire wedding day, I will work with professionalism, ensuring that I capture the essence, emotions, and beauty of each moment. I will be attentive to timing, and efficiency, allowing you to fully enjoy your wedding day while trusting that every precious moment is being beautifully documented.

CONSIDERATIONS

BEFORE WE START

EFFECTIVE COMMUNICATION BETWEEN US IS VITAL. PLEASE BE CLEAR ABOUT YOUR EXPECTATIONS, PREFERENCES, AND ANY SPECIFIC SHOTS OR MOMENTS YOU WANT TO CAPTURE. THIS MEANS WE CAN TAILOR YOUR PACKAGE TO EXACTLY WHAT YOU WOULD LIKE FROM YOUR WEDDING PHOTOGRAPHY. THAT WAY WE WON'T MISS ANY IMPORTANT MOMENTS!

EXPECTATION

AFTER THE WEDDING, WE WILL NEED TIME TO EDIT AND POST-PROCESS THE IMAGES TO DELIVER THE FINAL PRODUCT. PLEASE BE PATIENT, AS THIS PROCESS MAY TAKE A NUMBER OF WEEKS OR LONGER DEPENDING ON MY WORKLOAD. PLEASE TRUST THAT WE WORKING DILIGENTLY TO PROVIDE YOU WITH THE BEST POSSIBLE OUTCOME.

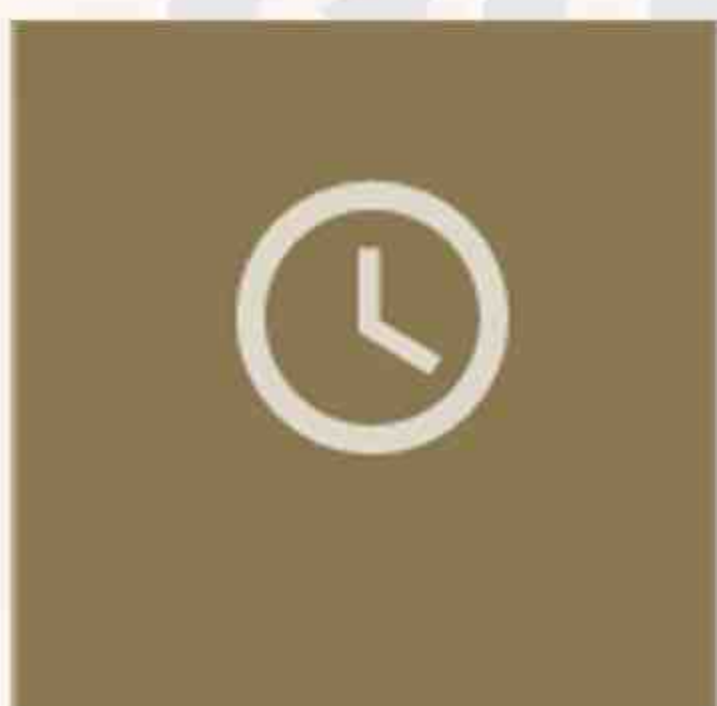

UNPLUGGED CEREMONY

CONSIDER HAVING AN "UNPLUGGED" CEREMONY WHERE GUESTS ARE POLITELY REQUESTED TO REFRAIN FROM TAKING PHOTOS OR USING DEVICES DURING THE CEREMONY. THIS ALLOWS US TO CAPTURE THE MOMENT WITHOUT OBSTRUCTIONS AND ENSURES A MORE INTIMATE ATMOSPHERE.

COPYRIGHT TRANSFER

IF YOU WISH TO OBTAIN FULL COPYRIGHT OWNERSHIP OF YOUR WEDDING IMAGES, IT'S CRUCIAL TO DISCUSS THIS WITH US BEFORE SIGNING ANY AGREEMENTS. THEY MAY HAVE SPECIFIC TERMS OR CONSIDERATIONS REGARDING COPYRIGHT TRANSFER, SUCH AS POTENTIAL LIMITATIONS ON HOW THE IMAGES CAN BE USED.

COMMUNICATION

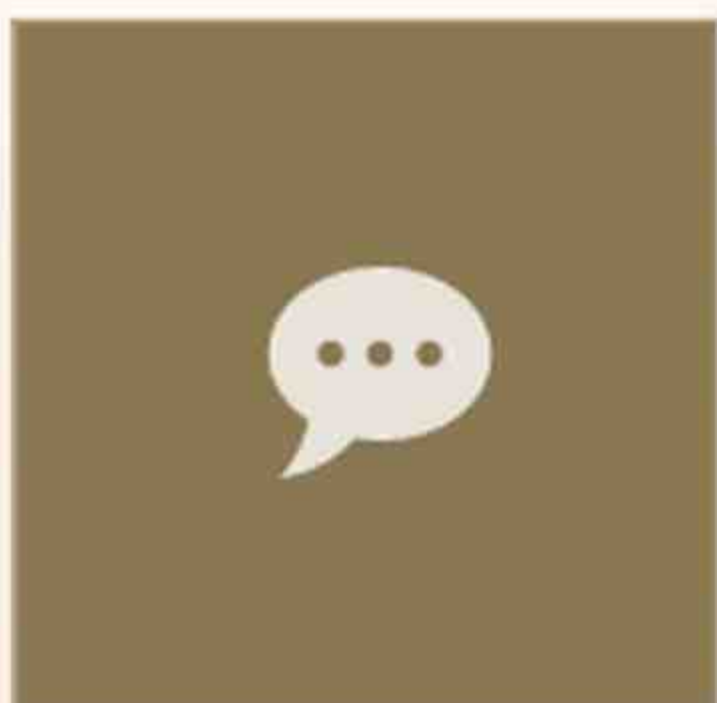

BUSINESS HOURS

WE OPERATE DURING REGULAR BUSINESS HOURS, MONDAY TO FRIDAY, 9:00 AM TO 5:00 PM AND ALSO OFFER EVENING HOURS FOR ZOOM CALLS. PLEASE KEEP IN MIND THAT WEEKENDS ARE PRIME SHOOTING TIMES FOR US, SO WE MAY BE BUSY CAPTURING WEDDINGS ON SATURDAYS AND SUNDAYS AND THEREFORE THE RESPONSE TIME DURING THOSE TWO DAYS MAY BE LONGER.

PREFERRED CONTACT METHOD

PLEASE CONTACT US VIA WHATSAPP WHERE POSSIBLE. THIS ALLOWS ME TO KEEP TRACK OF YOUR MESSAGES, PROVIDE DETAILED RESPONSES, AND HAVE A WRITTEN RECORD OF CONVERSATIONS. UPON BOOKING, WE WILL ALSO PROVIDE A PHONE NUMBER FOR URGENT OR TIME-SENSITIVE MATTERS.

RESPONSE TIME

WE STRIVE TO RESPOND TO INQUIRIES AND MESSAGES IN A TIMELY MANNER. WE AIM TO REPLY WITHIN 24 TO 48 HOURS DURING WEEKDAYS. HOWEVER, SOMETIMES WE MAY REQUIRE ADDITIONAL TIME TO PROVIDE COMPREHENSIVE RESPONSES, ESPECIALLY DURING BUSY WEDDING SEASONS, SO PLEASE BEAR WITH US.

NOT ONLY DID THEY CAPTURE OUR DAY IN A WAY THAT IS SIMPLY PERFECT, THEY WAS NOTHING BUT A CALMING NATURE TO US AND REALLY DID GO ABOVE AND BEYOND. WE WILLBE FOR EVER GRATEFUL FOR HAVING THEM CAPTURE OUR WEDDING DAY
